## Creating Beauty:

### Stunning Solutions for Every Garden

From a collection of containers on the patio to a sprawling landscape of beds and borders and everything in between, gardens bring beauty to homes and delight to homeowners. Regardless of size or style, we all face issues with our gardens. Whether it's utilizing a difficult space, choosing the perfect plants for shady spots or disguising problem areas in the landscape, garden designer and lifestyle expert P. Allen Smith has the answers! Allen will share his solutions for common garden problems, and not-so-common problems as well, and is sure to inspire you to create beauty in your own garden.
